About TREO

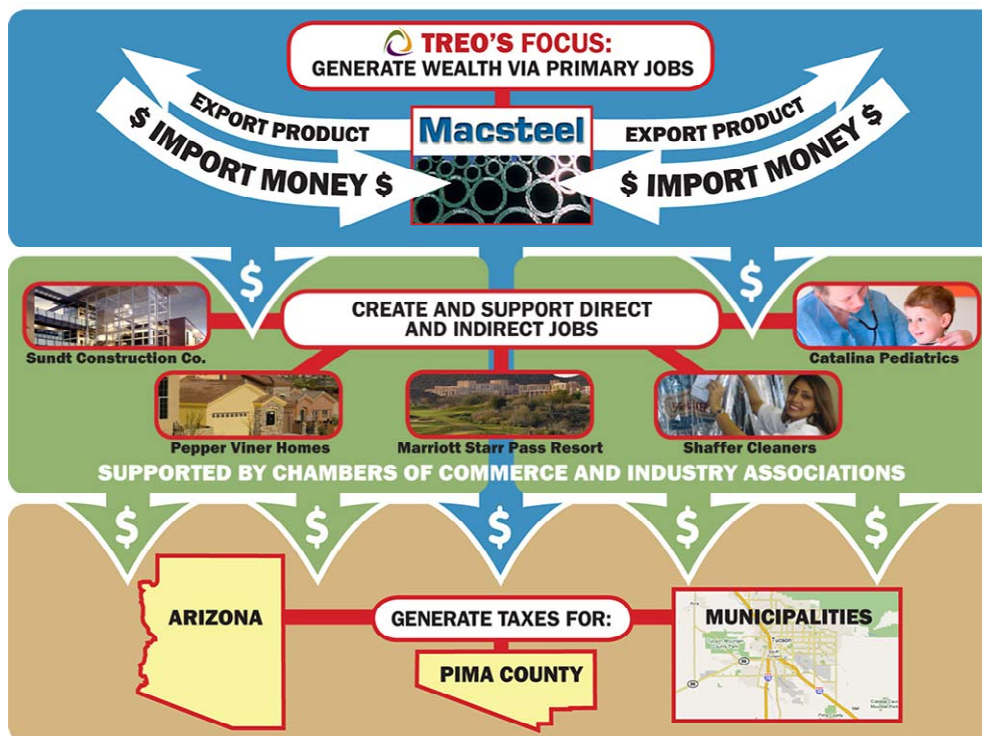

Tucson Regional Economic Opportunities, Inc. (TREO) was formed in July 2005 to serve as the lead economic development agency for the greater Tucson area and its surrounding regional partners. TREO's mission is to provide leadership, a unified business voice, and connectivity to accelerate economic prosperity throughout Southern Arizona.

To serve a population approaching one million residents, TREO offers an integrated approach of programs and services that support the creation of new businesses, the expansion of existing businesses within the region, and the attraction of companies that offer high wage jobs. The values that TREO has established serve as a foundation for the objectives that guide our everyday activities:

- Nurture Competitive Economic Growth
- Build Strategic Partnerships
- Promote Regionalism
- Be an Economic "One Stop"
- Maintain a Customer Focus

TREO is supported by a Board of Directors that represents both private sector businesses and public sector partners.
